MARS Update and Discussion

Presented by Jim Sexton
and Clear Title Agency

Are you negotiating Short Sales, handling the short sale discussions with the lender for your client? Do you have questions about the new Mortgage Assistance Relief Service "MARS" Disclosures and Regulations here in Arizona? This class will be a great study of the changes that have now been implemented.

Our instructor for the class is Jim Sexton, broker for John Hall & Associates. He is also a part of AAR's taskforce to address questions about MARS implementation. This class is not for credit but will give you the information you need to work short sales within the guidelines
